lección 3

I am sure that you will recognize what I have in my hand. It is a photo album. Most parents have several photo albums which are full of pictures taken of their children as they were growing up. We have always been very proud of our children and everything they did. We took pictures of them in school, at church, pictures of them playing, at Christmas time, on their birthdays, and many other occasions. We were proud of them as they grew up and we are proud of them today.

Do you think God was proud of His son, Jesus?

I know he was, because the Bible tells us that he was. When Jesus was baptized, the Bible tells us that there was a voice from heaven that said, "This is my beloved Son, in whom I am well pleased."

Why do you think God was pleased with His son?

The Bible tells us that "Jesus grew in wisdom and stature, and in favor with God and men." It makes a father proud to watch his children grow in maturity and become wiser. And, of course, a father wants his child to be well-liked and respected by other people. I think the main reason that God was proud of Jesus is that Jesus always did what his Father sent him to do. Do you always do what your father or mother tells you to do? I doubt if any of us could answer "yes" to that question -- but Jesus could. Jesus said "I have come down from heaven not to do my will but to do the will of him who sent me." (John 6:38) That would make a Father proud, wouldn't it?

When we trust in Jesus as our Savior, we become the children of God. Our baptism is like an official adoption ceremony. God is proud of us from the very beginning when we become his children because that is what he wants us to be. And like a good Father - or a good Mother - God is there to help us do all the other things he asks us to do - things like loving our brothers and sisters - and forgiving and helping one another - and sharing the good things that he gives us with those who are in need.

Wouldn't you like to be the kind of child that would cause God to look down from heaven, as he did with Jesus, and say, "My child, I am proud of you?" I would like to be like that - and every day I try to be, knowing that God loves me and is there to help me be the kind of child he wants me to be.

Father, we want to be the kind of children you want us to be. Help us each day to do the things that are pleasing to you. Amen.

(At this point consider having a team member give a personal testimony of his/her salvation journey and baptism.)

## SIMPLIFIED LESSON OPTIONS

- *Tell the account of Jesus' Baptism in simple story form or read it from a children's bible.*
- *Ask 3-4 of the simpler discussion questions.*

lección 3

Este es un libro muy importante para mí. Es un álbum de fotos. Es de nuestro hijo cuando era un bebé. Como pueden ver, empecé a sacarle fotos el mismo día que nació. Le saqué esta foto cuando tenía menos de un día. Yo estaba tan orgulloso de él que creía que era el bebé más hermoso del mundo.

Este no es el único álbum de fotos que tenemos de nuestro hijo. Tenemos muchos álbumes llenos de fotos que sacamos mientras él crecía. Aunque estábamos orgullosos de él cuando bebé, no queríamos que se quedara así por toda su vida. Era un placer verlo crecer.

Esta mañana, vimos un bautismo. El bautismo es semejante una foto de bebé. Cuando la persona sale del baptisterio, es como un bebé en Cristo, e imagino que el Padre Celestial le mira con el mismo orgullo que miró a Jesucristo al ser bautizado en el río Jordán. Cuando Jesús salió del agua, Dios dijo: "Éste es mi Hijo amado; estoy muy complacido con él."

Aunque Dios se sienta muy orgulloso de sus hijos, no quiere que se queden como bebés por toda la vida. Él desea que crezcan y maduren como cristianos. Algunas personas salen del baptisterio y siguen siendo bebés en Cristo por toda la vida. Él quiere que crezcan espiritualmente tanto como físicamente.

Querido Señor, Ayúdanos crecer en nuestro fe cristiano para que seamos hijos de los que puedas sentirte orgulloso.

## • GAME •

### OBJECTIVE: JOHN SAYS

Listen carefully to what John says so you know what to do...or what not to do!

### MATERIALS BROUGHT BY TEAM

- None for this game

### INSTRUCTIONS

This game is played similar to “Simon Says” only using the name John in place of Simon. Kids do whatever command starts with “John Says”. However, kids should not do any command that does not start with “John Says.”

An addition to this game is the line, “John says repent!” Whenever the kids hear this phrase they must turn 180 degrees. The game continues with the kids facing the opposite direction. This makes it more silly at tricky since they cannot see the leader who is calling out the commands.

Generally kids are out of the game if they perform the command incorrectly and the last one standing is the winner.

Ideas for commands: “John says take one step back, John says hop once on your right foot, John says raise your hands, Sit down, John says shake your head, John says stand up, John says yawn, Sneeze, John says pat your head,” Etc.

### SIMPLIFIED GAME OPTIONS

- *Play standard Simon Says game*
- *Play Follow the Leader with kids following in a line and copying everything the leader does.*
