2010 Mission Internship

Summer Field Staff

As an Intern serving in the field you have the unique opportunity to work for change in underprivileged communities around the world. As a trip coordinator, an outreach coordinator or a construction coordinator, you'll build relationships and lead mission teams from around the U.S. in serving others.

Stuart Hoetger

"This internship was infinitely impacting. It was such a blessing. Even though it was hard and draining at times, it was in those times that I found who I was and whose I was; a truth that I never want to forget; a truth that changed my life."

Summer Logistics Coordinator

As a Logistics Coordinator, you'll work from EM's headquarters in Washington state to provide vital support to Summer Staff working around the world, and you'll work closely with team leaders across the country to prepare their groups for service. You also may have the opportunity to travel to and serve in one of Experience Mission's partner communities.

Amy Sipe

"Experience Mission provided me with an opportunity to expand my knowledge and skills in the business field while also teaching me how to minister to others with Christ's strength empowering me. The wisdom I gained from this internship will serve me for the rest of my life."
